

The GOAL Foundation is excited to announce our latest course offering, "*PowerPoint for Firearm Trainers*". Instructor Todd Smith will cover:

- Using Technology as a Presentation & Training Tool
- Establishing a base-line - understanding your hardware and software configurations
- Recommendations for hardware/software/projection
- PC Health - Anti-Virus, Mail-Ware, Electronic "Junk," and routine maintenance
- Using PowerPoint, a PC and Projector effectively - using animation, speaker's notes, graphics and video

This course will run from 6:00pm to 9:00pm on June 24, 2010. The fee is \$20 for GOAL Members and \$60 for non members. *Students must provide their own laptop/notebook sized computer and a flash drive.* Pizza and soft drinks will be provided. This class is limited 12 seats.

You must preregister. Please call GOAL at 508-393-5333
